Dear Captain, Athlete, Parent and Booster Club Officers:

We are very excited about launching the **Respect The Game—Respect Yourself (RGRY)** online program through our website: www.wnsports.info that will involve our coaches, captains, athletes, parents and booster club officers.

The Ohio High School Athletic Association and the Better Business Bureau's Center For Character Ethics have partnered with noted speaker, author and founder of the RGRY program Dr. Mike Thomson to bring you this incredible program. "Dr. Mike," as he is known around the country, is a former high school hockey coach, the host of the public television series *In Search Of Character* and a highly sought after speaker who has now lectured to over 2 million people worldwide.

Dr. Mike purposefully designed the RGRY program to be a cutting edge, one of a kind program in the country that raises the bar for sportsmanship, ethics and integrity both on and off the field of play as well as in and out of season. It's like Facebook, Myspace, Twitter and YouTube on jet fuel!

Dr. Mike also designed the program so it becomes a great adjunct to the tradition of what we already do as a athletic program - which is to produce not only the best student athletes but also produce the best young men and young ladies for our future.

This program does not take away from any practice time, does not conflict with your schedules and is something that every coach, captain, athlete, parent and booster club officer has time for.

The sign up process is REAL simple - It takes only 30 seconds.

BUT HERE'S WHERE WE NEED YOUR HELP – We need you to visit www.wnsports.info and look for the red/blue RGRY icon.

Just click on the red/blue RGRY icon and follow the simple on-screen directions. ***That's all there is to it – it's a one-click-and-done registration process!***

Because time is so valuable to all of us -- the RGRY weekly messages are quick and to the point. Everyone who signs up gets an email message directing them to the exclusive RGRY "Members Only" site that contains brief video podcasts, great advice, inspiration, guidelines and teachable moments in the areas of sportsmanship, ethics and integrity 24/7/365.

If you have any questions, please feel free to contact us at any time.

Sincerely,

Jeff A. Will – Athletic Director
