Student Achievement Record

Grade 2

Student  
Teacher  
Principal

Grade  
Year

*OUR MISSION – is to prepare students to contribute to the competitive and changing world in which we live.  
OUR VISION – is to be the benchmark of educational excellence.*

Attendance	1	2	3	4
Absent				
Tardy				

End of Year Placement
Promoted to grade
Placed in grade
Retained in grade

Key for Successful Learners:

- 3 - Meets grade level expectations
- 2 - Inconsistently meets grade level expectations
- 1 - Support needed to meet grade level expectations

Key for Grade 2 Achievement:

- 3 - Meeting End-of-the-Year Standards
- 2 - Progressing toward End-of-the-Year Standards
- 1 - Additional Support and Interventions to achieve End-of-the-Year Standard
- Shaded - Not evaluated this grading

Second Grade Characteristics of Successful Learners	1	2	3	4
Completes classroom work				
Completes homework				
Puts forth consistent effort				
Manages work time effectively				
Works independently				
Seeks help when needed				
Organizes work & belongings				
Follows oral and written directions				
Listens attentively				
Follows school and classroom rules				
Participates in group discussions/activities				
Cooperates with others				
Demonstrates self-control				
Accepts responsibility for actions				
Respects the rights and property of others				
Conference needed				
Retention being considered				

Second Grade English Language Arts	1	2	3	4
Student's Independent Level Text (above, at or below with drop down menu)				
Selects and Reads Independent Level Text				
<b>Foundational Skills</b>				
<b>Phonics and Word Recognition</b>				
Applies knowledge of vowel sounds in reading and writing. (short, long and vowel teams)				
Recognizes and reads high frequency words.				
<b>Fluency</b>				
Reads accurately to support comprehension of grade level text				
Reads fluently				
<b>Reading Literature</b>				
Asks and answers questions to demonstrate understanding of key details in a text.				
Identifies central message, moral or lesson in a text.				
Compares and contrasts two or more versions of the same story.				
<b>Reading Informational Text</b>				
Asks and answers questions about key details in a text				
Identifies the main topic of a text				
Knows and uses various text features to locate information in a text.(e.g., captions, bold print, subheadings, glossaries, indexes, electronic menus, icons)				
<b>Language Arts Writing</b>				
Writes in different genres using appropriate text structure				
a. Narrative				
b. Informative/explanatory				
c. Opinion				
d. Shared Research				
Independently uses correct capitalization in writing				
Independently uses correct punctuation in writing				
Spells grade level appropriate words correctly in writing				
Writes using complete sentences				
<b>Language and Grammar</b>				
<b>Conventions of Standard English</b>				
Uses correct English grammar when writing and speaking				
<b>Vocabulary and Usage</b>				
Uses context clues to determine meaning of unknown words				
Uses common prefixes, suffixes and base/root words to determine word meaning.				
<b>Speaking and Listening</b>				
Clearly presents knowledge in a variety of ways				
Participates in collaborative conversations: asks and answers questions effectively				

Second Grade Mathematics	1	2	3	4
<b>Operations and Algebraic Thinking</b>				
Represents and solves addition word problems within 100				
Represents and solves subtraction word problems within 100				
Fluently adds within 20, knows from memory all sums of two one-digit numbers				
Fluently subtracts within 20				
Determines even and odd groups and writes an equation to express an even sum				
Writes addition equations to represent arrays				
<b>Number and Operations in Base Ten</b>				
Understands and uses place value to count, compare, and read/write numbers to 1,000				
Uses place value and properties to add up to 4 two-digit numbers and to add and subtract with models/strategies to 1,000				
Fluently adds and subtracts within 100 using strategies				
Explains why addition and subtraction strategies work				
<b>Measurement and Data</b>				
Uses appropriate tools to measure and estimates lengths in standard units				
Uses addition and subtraction to solve word problems involving lengths				
Tells time to the nearest five minutes, using a.m. and p.m.				
Solves real world money problems with dollars and coins				
Organizes, represents, and compares data for lengths using line plots and draws picture or bar graphs for up to 4 categories				
<b>Geometry</b>				
Recognizes and draws shapes with specified attributes				
Partitions circles and rectangles into halves, thirds, and fourths and justifies equal shares of identical wholes can be different shapes				
Partitions rectangles into rows and columns of the same-size squares and counts to find the total				

Second Grade Science	1	2	3	4
<b>Earth &amp; Space Science</b>				
Identifies weather changes and the relationship of air and water to weather.				
<b>Life Science</b>				
Describes how living things impact and cause changes on Earth.				
<b>Physical Science</b>				
Explains how forces change the motion of an object.				

Second Grade Health	1	2	3	4
Demonstrates understanding of grade level concepts.				

Second Grade Social Studies People Working Together	1	2	3	4
<b>History</b>				
Demonstrates an understanding of timelines, past and present and biographies.				
<b>Human and Physical Geography</b>				
Demonstrates an understanding of culture (customs and traditions), maps, and environmental factors.				
<b>Government</b>				
Demonstrates an understanding of rules, consequences, collaboration and accountability in different settings.				
<b>Economics</b>				
Demonstrates an understanding of how people produce, buy, and sell goods and services to earn an income by working.				

Second Grade Art	1	2	3	4
Demonstrates the ability to describe, analyze, interpret and make connections to past, present and personal artworks.				
Creates works of art that demonstrates an understanding of materials, tools, techniques, and vocabulary.				
Applies art concepts to create works of art that communicate ideas.				
Exhibits an ability to reflect upon and refine personal artwork.				
Specials Comment				

Second Grade Music	1	2	3	4
Recognizes and performs rhythmic patterns				
Recognizes and performs melodic patterns				
Demonstrates musical skills and vocabulary through creating music, movement, listening, singing, and/or playing instruments				
Demonstrates knowledge of historical and cultural aspects of music				
Participates constructively in musical activities.				
Specials Comment				

Second Grade Physical Education	1	2	3	4
Demonstrates competency in motor skills and movement patterns				
Demonstrates understanding of movement concepts, principles, strategies and tactics				
Participates actively in physical activities				
Exhibits responsible personal behaviors (e.g. listens attentively, makes good choices)				
Exhibits responsible social behaviors (e.g. teamwork, fair play)
