Our Recent Select Achievements

- Families seeking a high quality education for their children may want to consider moving into the Westerville community and Westerville City School District, which Movoto Real Estate ranked as the 18th best suburban area in the nation for education.
- Westerville City Schools is home to one of only six programs nationally to receive the prestigious 2015 Apex Learning Award of Excellence. The award recognizes innovative schools and school districts across the country for excellence in implementing blended and virtual learning programs that result in higher student achievement.
- Westerville City Schools was identified as the top public school district in central Ohio during the ThisWeek Community News 2015 Readers' Choice Awards.

Read more accomplishments on the reverse side of this page and on the district website at <http://www.wsoh.org>

Westerville City Schools

Recent Select Achievements (continued)

- Thirteen Westerville pupils were named Commended Students and two achieved Semifinalist status in the 2017 National Merit Scholarship Program.
- WCSD is one of only 117 school districts nationwide to be accepted to the Lead Higher Initiative, a national effort of the non-profit Equal Opportunity Schools, to close its participation and success gaps in AP and IB courses by Fall 2017.
- The Westerville City School District's Fiscal Services Office recently earned an Award of Financial Reporting Achievement from the Government Finance Officers Association of the United States and Canada, which represents the highest award in government financial reporting. The Fiscal Services Office also earned an Award with Distinction for Financial Reporting from the State Auditor's Office.
- A Westerville North High School student represented her school and the state at the 2015 Congress of Future Medical Leaders in Boston, where she was taught by distinguished professionals including Nobel Prize winners in Physiology and Medicine; winners of the Lasker Award; the Director of the National Institute of Health; and recipients of the Presidential Medal of Freedom and National Medal of Science. She earned an Award of Excellence from the National Academy of Future Physicians and Medical Scientists praising her outstanding academic performance, leadership potential, and dedication to serving humanity through the profession of medicine.
- Westerville South High School's Troupe 513 was one of only eight troupes selected to perform at the 2015 State Thespian Conference. A member of the troupe also competed at the International Thespian Conference and won for her sound design entry.
- Two Westerville North teachers received a \$2,000 grant from Voya Financial, Inc. as part of the company's 2016 Unsung Heroes awards competition, which honors K-12 educators nationwide for their innovative teaching methods, creative educational projects, and their ability to positively influence the children they teach.
- An Annehurst Elementary School teacher was named the D.A.R.E. Ohio 2016 Educator of the Year.
- A Heritage Middle School student earned the R.A. Horn Outstanding Achievement Award from the Ohio Coalition for the Education of Children with Disabilities. He was honored in the area of Technology for learning to use an Augmentative Communication device to share his needs, wants, hopes, fears and dreams with others.
- From almost 6,000 submissions sent in throughout the State of Ohio, nine students were chosen for induction into the AAA Ohio Safety Patrol Hall of Fame, and three of them are from Cherrington Elementary School.
- Westerville South's Boys Varsity Basketball team won the 2016 Division I State Championship.
- The Westerville City School District's Preschool Program received a Five-Star Step Up To Quality Award from the State of Ohio.
- Three Westerville Central High School students participated in the YWCA's Bright Futures Leadership Program, which builds the leadership skills of high school juniors who show incredible promise. Considered the "Women of Achievement" of tomorrow, only 28 participants were selected from nominations representing more than 70 Central Ohio high schools.
- Six Westerville South High School students received awards for their innovative business concepts in the Believe in Ohio competition, a grant program that encourages pupils to apply STEM concepts in the development of a product commercialization plan.
- The Westerville Energy Education Partnership, a collaborative between the City of Westerville and Westerville City Schools, received first-place honors for special projects at the National Energy Education Development Project (NEED Project) competition in Washington, DC.
- Westerville North High Schools' "Team Darrow" won the Ohio Mock Trial State Championship and competed at the national level last spring in Raleigh, North Carolina.
- Third grade students at Emerson Magnet School have befriended and collaborated with children in the Kotabe Elementary School in Japan. The pupils have exchanged cultural artifact boxes of items that tell a little bit about the land, people, music and traditions of each country.
- A Westerville South High School freshman who studies Japanese through credit flex was the third place winner in the Japan-America Society of Central Ohio (JASCO) high school speech contest. He was the only freshman to be a finalist and the only student participant from Westerville.
- Students in Advanced Placement Biology classes at Westerville North and Central high schools are participating in a unique citizen science collaborative in which they collect and analyze soil samples to be entered into a database as part of a national study being overseen by Yale University.
- Three Westerville Central High School students traveled to St. John U.S. Virgin Islands and participated in a Global Health course sponsored by PAST Innovation Labs.
- A Westerville North student won first place in the MIT Society of Women Engineers annual science and engineering essay competition.
- Genoa Middle School won the 2016 state Future City competition and represented Ohio at the national competition in Washington, D.C., where they placed 10th.
- Walnut Springs Middle School's Center for Inspiration earned a prestigious 2016 Outstanding Project award from *Learning by Design* magazine.
- Three Westerville middle school students earned accolades at the 2016 National History Day contest at the University of Maryland.
- A student from Westerville North and a student from Westerville Central high schools were named to the Ohio Attorney General's 2016-2017 Teen Ambassador Board.

The Board of Education does not discriminate on the basis of race, color, national origin, sex (including sexual orientation or transgender identity), disability, age (except as authorized by law), religion, military status, ancestry, or genetic information (collectively, "Protected Classes") in its educational programs or activities. The Board also does not discriminate on the basis of Protected Classes in its employment policies and practices as they relate to students, and does not tolerate harassment of any kind.
