

Please help us keep our families safe!
Parents are responsible for safely escorting their child to and from class.

We are asking parents to:

- Hold your child's hand until you are safely in the building.
- Yield to pedestrians as you enter the parking lot from Eastwind Drive.
- Park in a designated parking spot. Cars may NOT park along the driveway.
- Walk with your child to the pedestrian walkway, indicated by white stripes.

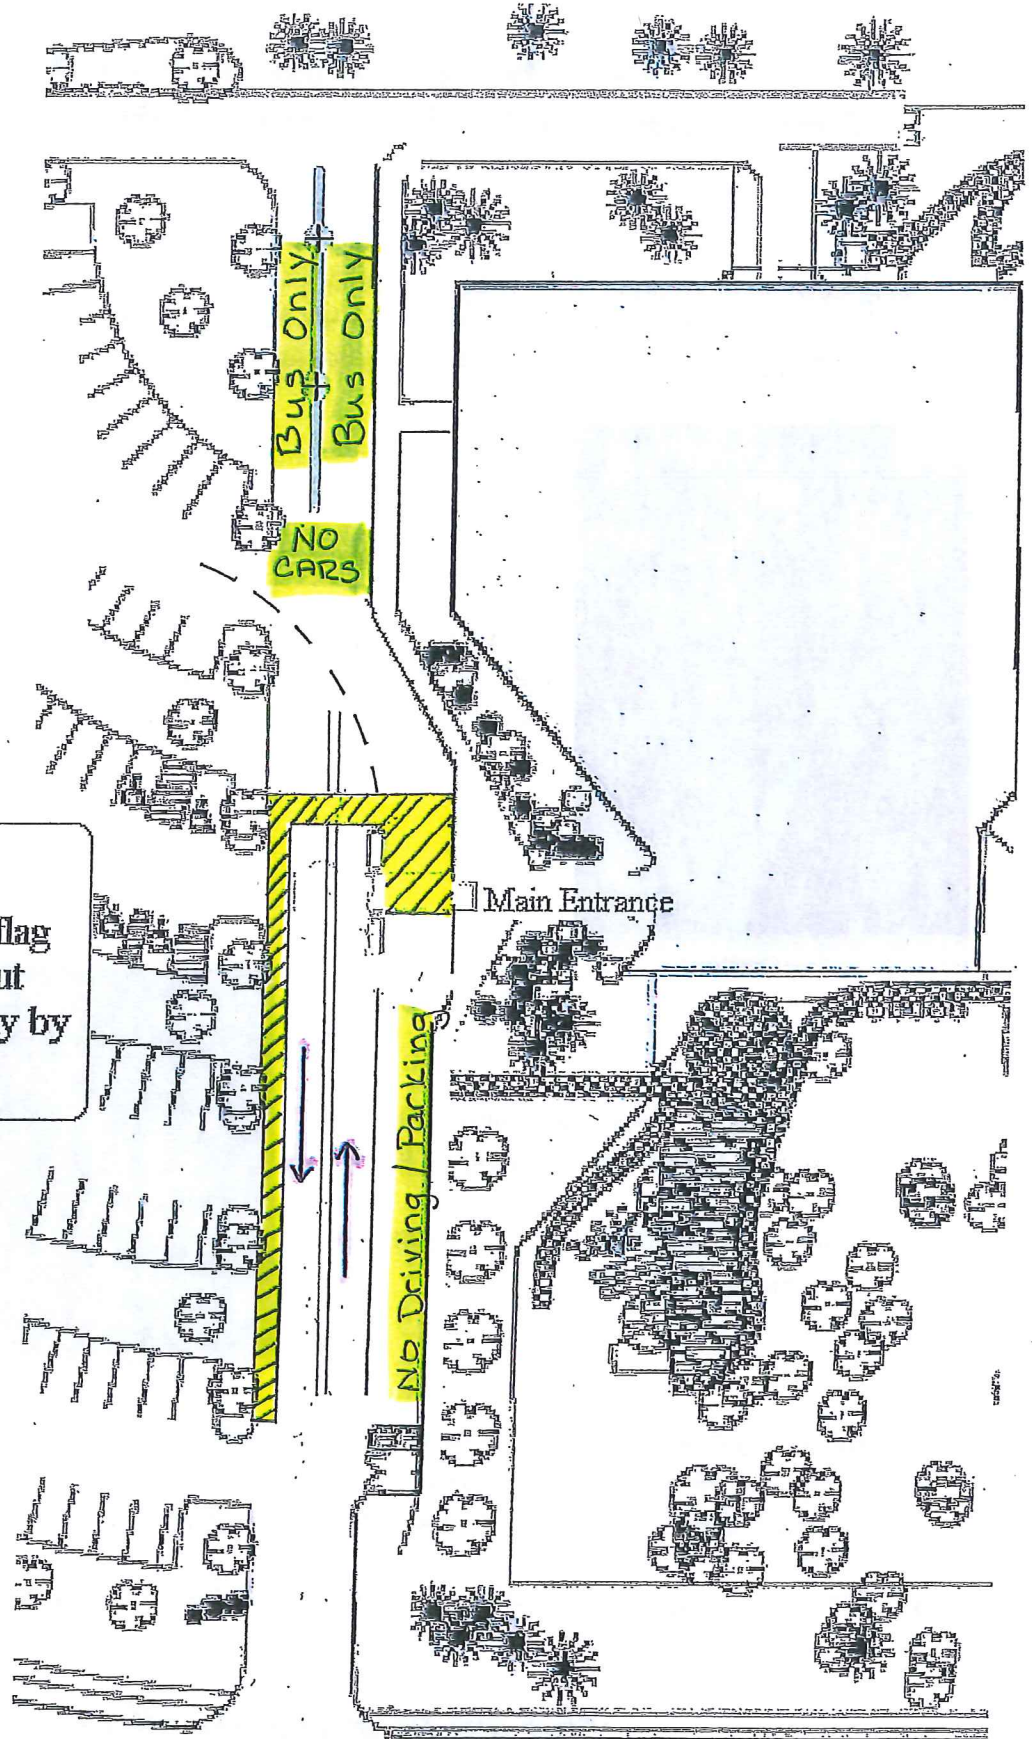

- Continue holding your child's hand and walk along the pedestrian walkway to the crosswalk. The pedestrian safe zone and crosswalk are highlighted in yellow on the map.

- Walk along the pedestrian walkway to the designated crosswalk, watching for traffic.
- Traffic crosses the pedestrian walkway and pedestrians must remain alert.

- Because our buses have a very tight schedule, pedestrians will be asked to let buses through before using the crosswalk.
- No cars will go beyond the crosswalk. This area remains car-free for our students who ride the bus.
- Please remember that we need you to hold hands the entire time you are walking between your car and the building.

Thank you for your cooperation!

ELC

Parking lot safety cone/flag holder placement. Set out cones Monday-Thursday by 7:00 am

Cone/flag holders are removed by the teachers after school

Eastwind Drive
