

Dear WCS D Families:

Today, Governor Mike DeWine announced that he is ordering all schools in Ohio to close for three weeks. The closure takes effect at the end of the school day on Monday, March 16, 2020. The Governor stated that he understands the impact that this will have on families, but the decision is necessary in order to slow down the community spread of coronavirus.

What this means for our families and children is that students will attend school as scheduled on Friday, March 13, 2020, and Monday, March 16, 2020. All schools will be closed from Tuesday, March 17, 2020, through at least Sunday, April 5, 2020.

As of today, classes are anticipated to resume on Monday, April 6, 2020. However, we know this may change, so we encourage you to plan accordingly. Please continue to watch your email and district website over the coming days for additional information. We will be communicating other important information as it becomes known, including details about the continuity of instruction for students.

Sincerely,
Dr. John R. Kellogg
Superintendent
