

WESTERVILLE CITY SCHOOLS

# TRANSPORTATION

**We're nationally recognized for our progressive and environmentally-committed approach to our services**

WE'RE  
**#1**

In December 2020, Westerville City Schools learned it was the highest-ranked school district in the nation in a contest that recognizes progressive and environmentally-committed transportation fleets. Under The 100 Best Fleets' Green Garage Contest, district's transportation fleet was ranked No. 4 overall in the country behind the City of Tulsa, Oklahoma; the University of California, Irvine; and the University of California, Davis.

## Our Bus Drivers

- Cover 101 regular routes each day
- Support 10,506 assigned riders
- On average, transport 6,726 actual riders every day
- Travel 7,689 daily miles daily
- Drive 1,384,020 total miles annually

## Our MyVan Drivers

- Cover 20 regular routes each day
  - Support 186 assigned riders daily
  - Travel 1,683 miles each day
  - Drive 302,940 total miles annually
- MyVan is for students who require specialized transportation. All vans are owned by the district and maintained by staff mechanics. Drivers receive extensive training on safety, maneuverability, and student management.*
