NAVIANCE RESOURCES

[Senior Video](#): The senior video walks students through the process of adding colleges to Naviance, requesting transcripts, and recommendation letters.

[Junior Video](#): The junior video shows students how they can look and compare colleges.

[Sophomore Video](#): The sophomore video will show students two different surveys student can complete. The career cluster finder groups careers with common features and skills. The Career Interest profiler ranks the students clusters based on their interests and hobbies.

[Freshman Video](#): The freshman video will show students how to keep track of the awards and honors they will receive over the course of their high school career.
